

Shape the Future of the Floral Industry

“As a retail florist,
it is important to me that the
floriculture industry continues to
grow. I am proud to support the
American Floral Endowment and
the important work they do to fund
research and scholarships for the
benefit of the entire industry.”

Lorrie Anderson, Country Florist of Waldorf
Waldorf, Maryland

**Support the future of the industry you love with
a tax-deductible contribution today.**

Funding Generations of Progress
Through Research and Scholarships
