

# Shape the Future of the Floral Industry

“As a retail florist,  
it is important to me that the  
floriculture industry continues to  
grow. I am proud to support the  
American Floral Endowment and  
the important work they do to fund  
research and scholarships for the  
benefit of the entire industry.”

Lorrie Anderson, Country Florist of Waldorf  
Waldorf, Maryland

**Support the future of the industry you love with  
a tax-deductible contribution today.**

Funding Generations of Progress  
Through Research and Scholarships
