- Continuing Funding Application – Due no later than June 1.

Report and Request Outline Information (Not to exceed four pages, see page 4 for additional details):

- **Annual Progress Report must address the following:** (1) Review the industry needs that were addressed, (2) Summarize the research conducted that provides specific results and benefits to the industry (focus on new information) and (3) Provide an industry summary of all professional and/or published information (publications should be included).
- **Request for Continued Funding Report must include the following:** (1) What is the compelling reason(s) the Endowment should continue funding your research?, (2) Identify all goals and objectives to be accomplished during the upcoming year, (3) Identify the member group(s) of the floral industry will derive the benefits of your research? and (4) Provide a dissemination plan for your research.

Submitting your Information

- Please complete this form and submit it along with your outline information in a separate PDF to AFE no later than June 1. This information can be submitted electronically to dchedester@afeendowment.org or mailed to the address listed below. All information must be received by the deadline in order to be considered.
- The Annual Progress Report and Request for Funding documents must not exceed four typed and numbered pages (minimum font size = 12-point).
- Include published articles and/or reports in which AFE funding is acknowledged as having provided partial support for the research, if applicable.

Special Instructions – The entire completed request must not exceed six (6) pages – Application (1 page), budget form (1 page) and progress reports outline (4 pages maximum).

The team leader is responsible for ensuring that the budget form is properly and totally completed. The budget form is divided into columns for the team leader and cooperating researchers at other universities. The team leader must indicate the amount to be paid to each researcher, including the team leader. Also, be certain the “Total Project Amount Requested” for the project matches the amount indicated on the initial full scientific research proposal.

NOTE - Researchers are required to acknowledge the American Floral Endowment funding when presenting or publishing project information.
