

Shape the Future of the Floral Industry

“At Metrolina Greenhouses,

we believe it is important that we do our part to enhance the

floriculture industry, which is why we support

the American Floral Endowment. Thanks to AFE,

we have hosted skilled interns who have gained

practical knowledge through AFE’s Internship

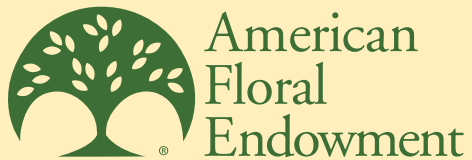

program and have gone on to contribute not only

to Metrolina, but also to our entire industry.”

Phil Heilman, Metrolina Greenhouses
Huntersville, NC

**Support the future of the industry you love with
a tax-deductible contribution today.**
