

# Shape the Future of Your Industry Through

**Funding Generations of Progress Through Research and Scholarships**

## **Your contributions support:**

- **Scientific and Public Benefits Research** — creating healthier, more attractive, longer-lasting flowers and plants that boost profits for everyone!
- **Scholarships and Internships** — giving tomorrow's industry leaders the experience they need today, and supporting the next generation of successful growers, wholesalers, retailers, scientists and educators.
- **Educational Grants** — funding educational programs advancing the industry.

**Support the future of the industry you love with  
a tax-deductible contribution today.**

**American Floral Endowment**
