

How to Use Our Social Media Templates

Thank you for using the **American Floral Endowment**'s social media templates! These templates were developed as a resource for each segment of the industry to save time. Below are step-by-step instructions for you to fill the template with your company's information and brand.

Template Instructions:

- Open template by double-clicking the file
- Everywhere you see **Underlined & Bolded Text** replace with your relevant information
 - Be sure to format text afterward
- Copy content
- Paste into social media post
- Share!

*Be sure to upload all job opportunities and listings to
AFECareerCenter.com*
