Annual Progress Report / Continuing Funding Request

The following Progress Report and Continued Funding Request should be completed by researchers that have current AFE-funded projects that have additional years of funding pre-approved. This form, along with your report, serves to provide an update on your current project to ensure progress is being made as outlined in your original proposal.

If you are on your last and final year of funding, you will need to prepare a FINAL report on your project that will be shared with the industry to communicate the results of your research and the impact on the industry.

To request additional years of funding for your completed project, you MUST submit a NEW application for funding by the August 1 deadline for consideration of funding for the upcoming fiscal year. If you have any questions about the process, please don't hesitate to reach out to AFE.

Deadline:

Annual Progress Report and Continued Funding Application – Due no later than June 1.

Each multi-year project must provide a progress report and request to continue annually. The completed request should not exceed six (6) pages – Application (1 page), budget form (1 page) and progress report (4 pages maximum using 12-point font).

NOTE - Researchers are required to acknowledge the American Floral Endowment funding when presenting or publishing research updates.
